Indeed. Needless to say,

The mysterious death of a high school art teacher.

A VIOLENT TEACHER WHO ABUSED HIS STUDENTS...

Apparently, he was introverted and had nary a friend.

No way...

But... I'm sure of it...

THERE WASN'T ANY PAINT OR BRUSHES IN THE AREA EITHER.

NO,

I DON'T RECALL SEEING SUCH A THING.

IT SEEMS THAT THE TRAUMA HAS INTERFERED WITH YOUR PERCEPTION.

IT'S HIGHLY LIKELY THAT YOU'RE SUFFERING FROM PTSD.

At the time, I wanted nothing more than to become an artist, so the painting that I saw there was forever ingrained into my mind.

I'm sure I saw it...!

I forgot about food and sleep, and I just kept looking at my canvas all day and night, as if I was possessed by something.

THERE'S NO NEED TO FEEL BAD ABOUT IT. YOU'RE SUCH A KIND PERSON, SAWATARI-SAN.

THAT SENSEI ALWAYS SEEMED TO HAVE A SCREW LOOSE.

Everyone was so kind to me.

THERE'S NO NEED TO FORCE YOURSELF.

YOU GOT WRAPPED UP IN SUCH A CRUEL INCIDENT.

WOULD A TEACHER NORMALLY ASK ONE OF THEIR STUDENTS TO BE A NUDE MODEL FOR HIM?

DISGUSTING.

ACTUALLY, AREN'T YOU THE VICTIM OF THIS INCIDENT?

JUST BECAUSE YOU WERE CALM AND QUIET, HE GOT COCKY AND MADE YOU DO HORRIBLE THINGS FOR HIM.

Sensei's funeral was held in secrecy, and not a single student participated.

ACTUALLY, WASN'T HE UNDER HOUSE ARREST FOR THAT? WHY WAS HE AT SCHOOL?

MAYBE HE BLAMED SAWATARI-SAN, AND WANTED TO GET REVENGE?

IT WAS HIS FATE TO DIE LIKE THIS ONE DAY.

And before long, his family moved out of town, as if to run away.

And the location of that painting remained unknown to me.

THAT PAINTING... THAT COLOR...

WRONG!

WRONG, WRONG, WRONG!!

WRONG!

NO MATTER HOW I TRY TO MIX THE PAINTS, I JUST CAN'T BRING OUT THAT COLOR!

THIS ISN'T RIGHT! THIS ISN'T WHAT IT LOOKED LIKE...

THAT PAINTING... THAT COLOR...

What is it that you want to see one more time?

I became unable to think of anything other than that.

Would the word "bewitched" be correct to describe how I felt?

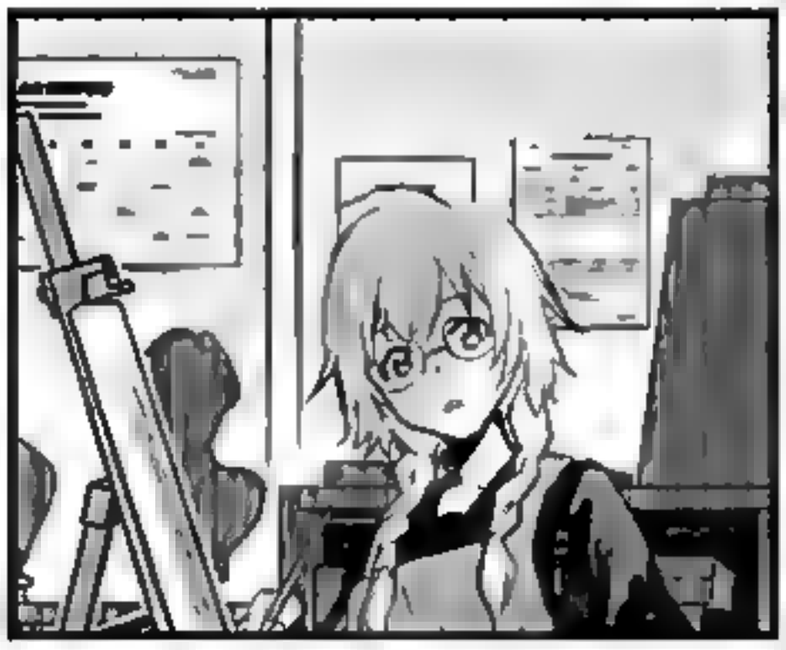

The cruel flow of time left me with nothing but vague memories. I must reproduce that painting.

I ONLY SAW IT FOR A MOMENT...

IF ONLY I COULD SEE IT, JUST ONE MORE TIME... I WOULD BE ABLE TO REPRODUCE IT.

AND I WOULD NEVER FORGET THAT COLOR AGAIN!

That's right, on that day...

she was there with me.

I'm sure she also saw that painting.

Don't you...

There was a painting back there, right?

You saw that pic-ture, too, didn't you?

Hey!

Tell me, Kuroi-san!

I do.

DON'T YOU REMEMBER THAT RED PAINTING...!?

I certainly remember it.

The painting sensei was working on.

I felt like I was burning to see that color... that painting...

So the painting really existed!

That RED...

That painting... I want to see that red painting one more time.

That's true.

No matter how many times I try to draw it, I can't even get close.

as long as you don't use that "COLOR", it will always end up being "WRONG".

In order to draw "THAT",

I beg you!

Tell me, please?

"WHAT" exactly was he drawing?

Such redness can't be drawn just with ordinary colors.

There's no way I would ever be able to draw it.

Bye bye, sensei.

After twenty years, I came back to the same school, as an art teacher.

She really doesn't hear a thing when she's focused.

Sawa-tari-sensei sure loves painting. Other than classes and club activities, she doesn't do anything but paint.

THE RED-COLORED PAINT - THE FLIPSIDE

ORIGINAL WORK ● KOGA SHINICHI MANGA ● YAMADA JTA

☆The girl who is both "charming" and "bewitching"... Kuroi Misa. Beauty that can be made into art.

Kuroi-kun. Kuroi Misa-kun.
Could you turn your chin a bit more in my direction?
Like this, sensei?
That pose is just perfect. Thanks.

● THIS IS A WORK OF FICTION. IT IS COMPLETELY UNRELATED TO ANY EXISTING INDIVIDUALS OR ORGANIZATIONS.

...An acquaintance of mine happens to be a painting connoisseur. He's a huge fan of yours.

How did you find out about that...?

I also heard that you had the option of continuing your career as an artist.

I heard you received many prizes when you were a student, sensei.

Especially your "Misery" series, which used black and red as its main theme. I heard it was quite popular.

That series certainly had many eccentric fans...

and many say they want to see my new works...

There's a difference between...

"the pictures I want to draw", and "the pictures I NEED to spit out to keep my sanity".

"So why did someone like me end up becoming an art teacher?"

Hmm... It's a bit hard to explain, but...

and to keep drawing pictures of my beloved birds and animals... That would be the greatest happiness I could wish for.

to live with my family in this town in which we share many memories,

I've wanted to keep working as a teacher that helps students find joy in painting.

But recently,

That makes me blush. The only ones who say these things to me are you, Kuroi-kun,

Sensei.

and...

...I think you're a great teacher.

would be regarded as boring, so I'm not really popular.

Well, I guess both my work as a teacher and my paintings of animals

Pardon my intrusion.

Ah, Sawatari-kun.

Sensei, can I have a look at your sketches again?

There's a lot of styles randomly thrown in there.

There's even a dark one. Would that be fine?

Kuroi Misa... san.

Oh, you two are in the same class, right?

I asked her to model for me.

It's fine.

I want to learn from them.

Eh? That makes me happy.

I thought you didn't draw dark paintings anymore.

I love your paintings, sensei.

Sketch

...I actually ended up going back to drawing them recently.

It's still nothing but a sketch, though...

Think of it as thanks for modeling for me.

My friend would be very happy to hear it.

Really?

but if I do complete a new work in the future, your friend can have it.

This time, I stopped at a sketch...

I'm always better off not drawing "Misery".

Besides, I don't really want to keep it with me.

A bird that I really liked

died all of a sudden...

So before I realized it, I started drawing that stuff again.

道場研究部

Hey, little birdies.

You've got to be sad since your friend isn't around anymore.

I splurged a bit and bought some delicious food for y-...

ISN'T THAT---

A BIT OF A WASTE?

SKRITCH

SKRITCH

...Why...?

Come to think of it, he was always standing in front of the coop.

Actually, isn't that sensei really creepy?

About the incident of animals getting killed in the vicinity,

it seems like Goya-sensei is suspected of doing it.

I've always thought so.

Me too.

He always seemed like he'd commit some kind of crime.

I can imagine it.

Actually, he never talks to others much, and only focuses on painting.

He just doesn't make sense.

There's no smoke without fire, right?

HE MIGHT ACTUALLY BE INVOLVED IN SOMETHING EVEN CRAZIER.

Recently, terrible things just keep happening to me.

I can't endure without spitting those feelings out into a painting.

I'm fine... Or so I'd like to say, but...

Sensei... are you okay?

...This painting... what are you trying to draw here?

...Most of them are dark ones, okay?

...Can I take a look?

I love your paintings, sensei.

In this black and red painting, you see...

I've expressed the feeling of "having no hope of salvation" that I had experienced.

The reason I drew it was that I just couldn't endure without venting it out.

Because... I've experienced enough misery for that.

I guess you could call it a hell on earth.

As one carries on with his life, sometimes he gets a peek at it.

The "absurdity of mankind" that can't be comprehended with a "human mind".

JEALOUSY, ENVY, and MALICE.

Once I perceive these kinds of feelings from the world around me, I just slap them on the canvas.

That's what made the "Misery" series.

If I had locked this hell inside my heart, I would have broken down.

An embodiment of hell that can be found in this world.

I got to peek at it when I felt miserable.

So I would like to avoid having to draw it again as much as possible.

That's why I put it into a painting and vented it out.

Maybe that's why...

WZZZZZZ

I FIND IT SO ALLURING.

You're young, so maybe you haven't experienced it yet...

But you're actually better off not doing so...

But...

That's true. I have never seen it.

flip

A hell you can see in this world.

And regarding the mass deaths of the birds in the coop,

You are to be punished for your suspicious behavior.

In consideration of how this affects the guardians' opinions, we will be closing school today and tomorrow. Use that time to pack up your belongings.

Our school will do its utmost to give you a severe punishment. The board of education shares the same opinion.

That's right, they confiscated everything.

I'm out of paint.

All I wanted to do was work as a teacher and draw what I liked, in peace.

CHAPTER 6
"FATED" PERSON

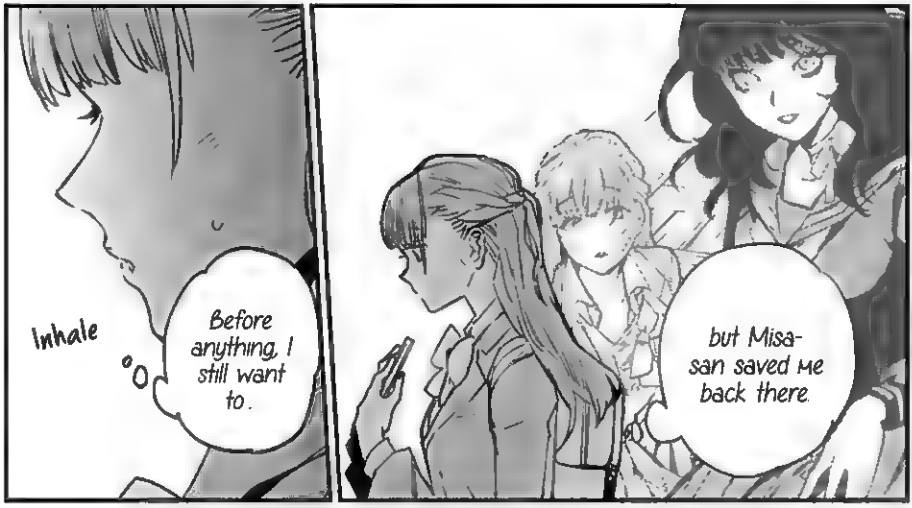

ORIGINAL WORK KOGA SHINICHI MANGA YAMADA JTA

Sorry I couldn't go to the hospital yesterday.
It's okay. More importantly, I'm curious about that stuff regarding a witch and sacrifices.
Well, I don't really know much about it either.
Good morning, Kurouri-san.
Are you chatting with your little brother from the hospital again?
Ah! Kuroi-san.
2
Just what did I witness yesterday?
Those three only have a vague recollection of what happened.
Morning.
Devils? A witch?
Kuroi Misa-san. Just who on earth are you?

What's wrong, Kurori-san?
"I'M A WITCH."

I wonder what a "witch" is.
Makes you curious, eh?
The whole witches and devils thing
definitely makes me curious,

Eh?
Err..
Well,

Inhale
Before anything, I still want to.
but Misa-san saved me back there.

How about become friends with her.
We exchange our LoIN addresses?
.....

Eh?
LoIN...?

4

EE EEH ?!
Smart-phones...
I can certainly see that everyone has one of these.
I don't, though.
The one you use on smart-phones.
LoIN is a chat app.
I was just using it earlier.

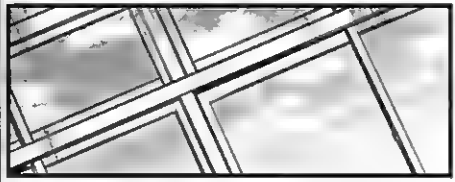

What do you do when you need to contact someone?
Isn't it kinda hard to look up things without one?
I raised my voice.
Ah, my bad.
I guess everyone has their own circumstances.
I said something I shouldn't have.
Looking things up...

I use this to look things up, so I'm good.
Come again?
A... A crystal ball?
Yes... I use it for fortune telling.

What's your birth date?
Blood type A, Taurus. Right?
You're troubled because you've lost many things recently, right?
Eh?
You over there.
Fufu, it often is correct, you know?
Ara.
T-
Talk about unique.

WOAAAH!
THAT'S SO AMAZING!

Actually, they're very close by.
Look for them on the southern side of your room.

EEEEE EEEEH?!
I found what you were looking for where you said it might be.
They were under the shelf at the southern side. The cat kicked them underneath while playing.

Lined up
Eh? There's a girl who can do fortune telling?
I heard that she's a transfer student.
Apparently, her fortunes are always right.
The person you love is an Aquarius B-type?
I can see the makings of your relationship.
He seems like he can be a genius, but he enjoys being alone.
If you're too aggressive, he might find you unattractive.

Eh?! That's right!
I've been too aggressive recently, and our relationship has been in a tight spot
So what should I do?
Let's see.
During the night of the second crescent moon, while Libra is in the sky,
dip this memo in water, then leave it outside your window.
This feels totally spiritual-ish! I think this might actually work!
Thankies~!

Sigh...
It's gotten much livelier than I had expected...

Umm~
There's someone I'm curious about, you see.
The next person will be the last.
Please come in.
This isn't gonna end anytime soon...
Hachinohe Rena from 2-A! The maiden with countless love stories!
8
Well.
What kind of a person is he?
But this might take a while...
I thought it would be nice if we went home together, so I decided to wait for her.
Well, I guess you could say that.
So you want romance related fortune telling?
In the end, I never got to talk to Kuroi-san.

But... I wanna find him...
You see, I don't remember where I met him. Heck, I don't even remember his name.
But no matter how much I looked for him, I couldn't find him anywhere.
Probably somewhere around the station.
Maybe on my way to school...
I've seen him several times already... I think.

I guess he's what you could call my "fated person"...
He left me with a completely different impression than anyone else has. This is my first time feeling like this...
That's why I wanna see him, no matter what.
So I was thinking that maybe you could tell me where I could see him with your fortune telling.
10
Is that all the info you have on him?
Quite vague, to be honest.
Even my fortune telling can't be of much help here.
Oh, okay...
But...
Even if my "fortune telling" can't do it,
MY "BLACK MAGIC" CAN.

BLACK MAGIC,
LOOK INTO MY EYES.
THREE BLACK ROOSTERS LAID AN EGG.
DIVIDED INTO SIX PARTS AND SPLIT OVER THREE BASKETS, I OBTAINED THREE BLACK EGGS.

Even if he changed his looks a bit,
I'm sure that I could tell that it was him
ふふふ
Yes! That's him!
He seems kind, and he's got the looks, right?
Seriously what the heck is this?
What kind of trick is it?
I see...
Very well.
GULP

I'll tell you where and when you can meet with your "fated person."
!
Amazing! Thanks a bunch!
If you go there at 6PM, you'll get to see him.
Got it!
Ah! I've gotta hurry!
Thanks, Kuroi-san!
It's almost time, actually!
Don't mention it... that said,
that person is...
KA-CLACK

Ah,
Err...
I was wondering if we could walk home together...
Kurouri-san.
The question is...
Ahhhhh!
That's not what I wanted to talk about!
What was that just now? Did something creep out of her mouth?!
for that girl.
I hope things turn out well
and your advice on romance, too!
Your fortune telling
Kurou-san, you're pretty amazing, aren't you?
CLANG
Is it the best outcome for things to turn out the way she wants?

But...
The person who I've met, but I just can't remember.
I might get to see him.

I'm sure that I love him!
Since he left such an impression on me,

He should pass by here soon...
Doki Doki

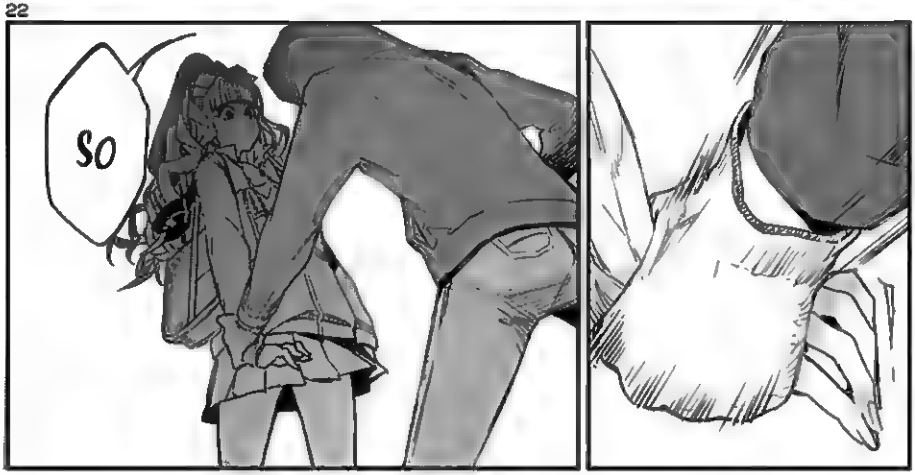

I wonder if he'd be surprised
when a high school girl he doesn't know calls out to him all of a sudden.

Ah!
It's him!
Quick
Huh?
But..
At least I finally got to see him.
What's he acting all sneaky for?
Look around
He's really giving off a different vibe..
Maybe it's because of his beard
Actually,

STARTLED
Excuse me!
I should at least ask for his name.
20
Yes. Well, I'm sure that... we've...
met somewhere before.
I know it's pretty sudden,
But you see... I actually
remember you quite well.
!
YOU... REMEMBER ME?

Looks around
WHERE... DID YOU SEE ME?

Hello. Is this the police?
Right next to me,

THERE IS A WITCH.

Could you take a look at this?
A real one...
is a witch...
Kuroi Misa-san...
Can you tell what this is?
It's ectoplasm, I guess.
It's something that holds the properties of something spiritual and physical. A "semi-matter", I suppose.
A book I read said that witches use it as a catalyst for magic.
